

RALLY KAZAKHSTAN 2019

COMPETITORS INFORMATION #2

Subject; Fitting of Sporttraxx units

Sporttraxx Satellite tracking units will arrive in the bivouac late tonight.

In order to facilitate the fitting of the devices to each competing vehicle, you are required to have at least one technician present with your vehicle from 05.00 to 08.00 to supervise and assist with the procedure.

These devices are supplementary to the existing GSM units already fitted in your vehicle.
